Jamie Ballinger concentrates her practice in employment, professional liability and corporate issues in the health care, hospitality and manufacturing industries in both state and federal courts.

Ms. Ballinger handles a wide variety of employment, professional liability and corporate issues in the health care, hospitality and manufacturing industries in both state and federal courts.

She assists clients with compliance and litigation issues related to both state and federal laws, including Title VII, FLSA, ADEA, ADA, FMLA and EPA.

Representative Matters

- Counseled local small business and employer to ensure that all employees were properly classified and compensated in compliance with state and federal law during its growth into a new industry.
- Successfully defended a cardiologist and his group in a multi-year health care liability and wrongful death action.
- Counseled international company on compliance with U.S. employment laws related to the retention of a high level executive and the Americans with Disabilities Act.
- Implemented a Quality Improvement Committee (Peer Review) Program for a medical group practice.
- Litigated breach of non-compete issue with former employees of large health care employer in multiple states.
- Won a motion to dismiss on behalf of a marina in a marine injury case.
