Tom Daschle Speaks at National Law Journal 2014 Regulatory Summit

The National Law Journal recently hosted its 2014 Washington Regulatory Summit. During the event former U.S. Senate Majority Leader and founder and CEO of The Daschle Group Tom Daschle (D-SD), along with former Speaker of the United States House of Representatives Dennis Hastert, offered a broad assessment of the regulatory landscape—and politics—in Washington as Republicans prepare to take control of the Senate and vie for the White House. This National Law Journal article highlights the event.
